MT 1100.08: 001 Cushing Hall, MWF 1pm

Instructor: Baris Coskunuzer, 540 Maloney, 617-552-8275, coskunuz@bc.edu

Office Hours: MW 2:30 – 4:30 and by appointment.

Class home page: Supported by Canvas (access through Agora), use your BC username.

Textbook: Single Variable CALCULUS (Early Transcendentals) by Stewart, custom edition for BC.

- The custom edition comes with an access code for WebAssign, *be careful not to discard the code*.
- If you want the paper book: Buy the custom edition from the bookstore.
- If you do not need a paper book: Buy the WebAssign access code online, this gives access to an ebook and all the WebAssign features. Go to www.webassign.net and follow the directions.
- Careful: The custom edition comes from the eighth edition of the Stewart book, which is a new edition.
- Buying the full book will be more expensive than the BC custom edition.

WebAssign class keys: Register for our course on WebAssign using an individual access code and the course class key: *bc 5280 2535* for Section 07, *bc 7814 1455* for Section 08.

Prerequisites: High-school algebra including exponential and logarithmic functions, and Trigonometry.
No previous experience in Calculus is necessary. This course is designed for non-science majors.

TA: Hao Li, hao.li.3@bc.edu Office hours: TBA, or by appointment.

Exams: There will be 3 in-class exams on Sep 21, Oct 26, and Dec 2.

The common final exam will be on Dec 19 at 4pm.

- In the exams, one double-sided page (8.5x11) of notes allowed, no calculators.
- Only students who have more than 2 exams scheduled on Monday, December 19 can take the make-up exam Tuesday, December 20 at 4 pm. Careful this is a very late date. Check your exam schedule and make your travel plans accordingly.
- As it is a common final, it does not follow the calendar of the regular exam schedule.

Quizzes: Each discussion session starts with a five-minute quiz. The lowest two grades are dropped.

Grading: 10% Quizzes + 12% HW & Participation + 16% In-class exams + 30% Final exam

Attendance: Students are expected to attend all classes. Classes start on the hour. Be respectful of other students by being on time. Cell phones should be turned off and kept out of sight. Computers cannot be used during classtime.

Homeworks: There will be 2 types of HWs: Written HWs due once a week and online HWs supported by WebAssign. Only written HWs count towards the HW grade.

- Weekly written assignments will be posted on the Canvas course website. Solutions will be posted after the HW due date.
- HW should be clearly presented on 8.5x11 paper, no torn pages from notebooks.
- Multiple pages must be stapled, no torn corners, no loose pages.
- Show all work, write clearly. If the grader cannot read or does not understand where the answer is coming from, you will get no credit.
- If you know you will have to miss class on a day a HW is due, ask a fellow student to put it in the right folder for you on the due day. No late HW will be accepted.
- Contact me if you have to be excused for a HW for a valid reason.
- Online HWs will be posted on WebAssign. These HWs are designed to help you keep up with the course and give immediate feedback as you get the solutions right away. They do not count towards the HW grade. They are designed to help you learn.

Tutoring: Walk-in tutoring usually in Maloney 560. Check room and schedule on Canvas.
