

Math 2415

Friday Problem Session on 15.2, Exam Two Review, and Active Learning Project

Your TA will set aside 45 minutes for your group to do: [Active Learning Models Project #8: Hills and Valleys](#).

For the remainder of the session work through the following problems.

1. 15.2.15
2. 15.2.19
3. 15.2.27
4. 15.2.37
5. 15.2.47
6. 15.2.11
7. Fall 2016 Exam II: All Questions. [Next week, the entire session will be exam review, so you can continue these problems then, or better still work for yourself before then!]
